What is Stewardship?

Stewardship is a way of life based on the Gospel. How do I make it my way of life?

- **I take to heart the opening words of Psalm 24: "The earth is the Lord's and all that is in it."**
- **I recognize that part of my God-given make-up is a need to give, and that it is a source of my own peace and happiness.**
- **I return a portion of my time/skills and possessions to God in a spirit of gratitude.**
- **I decide on a planned and consistent way of doing this.**
- **I take it off the top, rather than from what is left over.**

Never worry again. Angels watch over us!

Angels are our very real and constant companions. They are our invisible but trustworthy mentors. Let them inspire and guide you daily. Week after week, these amazing heavenly creatures will coax you closer to God, to prayer, and the sure knowledge of our Creator's endless love. OSV

Nunca se preocupe de nuevo. Ángeles velan por nosotros!

Los ángeles son nuestros compañeros muy reales y constantes. Ellos son nuestros mentores invisibles pero dignos de confianza. Deja que inspiren y le guíen a diario. Semana tras semana, estas sorprendentes criaturas celestiales lo acercan más a Dios, a la oración, y la certeza del amor infinito de nuestro Creador.

Untying Our Knots--Considerations at the End of Life

Date: Sunday, October 30, 2016

Time: 12:30-2:00pm Location: St. James Hall

Prince of Peace Catholic Community

5100 Plano Parkway West Plano 75093

Questions:

Angela Gwinn – a.gwinn2@popplano.org

Mary, Undoer of Knots, calls us to examine areas of our life that have been tangled and knotted. Through prayer, we ask her intercession to help us see the way to healing.

With our Blessed Mother as inspiration, this seminar will highlight four areas for consideration:

- 1) Deacon Charlie Stump- ethical decision making on health care choices
- 2) Lori Ashmore Peters, J.D. -Directives and legal considerations
- 3) Barb Petsel, R.N., L.P.C., Fellow in Thanatology -Importance of Grief work
- 4) Palliative care and hospice- value to both patient and family

Each speaker will give a short overview of their topic. The seminar will then be opened to you for your questions.

Much of the fear surrounding the end of life involves loss of control. This seminar will inform us of the realities we and our family will face and explain the options we do have.
