## Family Prayer

Lord, bless our family, all of us now together,  
those far away, all who are gone back to you.  
May we know joy. May we bear our sorrows  
in patience. Let us be grateful to each other.  
We have all made each other what we are. O  
Family of Jesus, watch over our family.

Amen.

The  
kingdom  
of heaven  
is like a treasure  
buried  
in a field

We would like to start our very own council here at Holy Family but we need to see if there is enough interest to do so. Please join us after mass August 3 **(Room # 1 South East Corner)**. Your family's are welcome at this meeting in which we will discuss the requirements for us to start this process, A Knights Council here at Holy Family would be of great benefit to our parish in both service, fraternal and social means. Please come hear what we have to say and start laying the groundwork for the Knights at Holy Family. Holy Family has become a vibrant growing catholic community, and the Knights of Columbus can offer a great deal to assist in that growth. If you have any questions or cannot attend the meeting and want to be counted as supporting our effort, please contact either Robert Franze, ([franzer@aol.com](mailto:franzer@aol.com), 903-433-1389, or Scott Shaw, [scott.shaw@kofc.org](mailto:scott.shaw@kofc.org),

**A pastor decided to make the rounds of religious education classes to talk about the Sacrament of Holy Orders. As he began to chat with a 2nd grade class, he asked, "Why do you think I wear this collar?" After a brief pause, a little boy blurted out, "Because it kills fleas and ticks for up to 5 months."**

A catechist was seeing her students off after class when one of them said, "That was a really good class Mrs. Martinez, to which she replied, "Oh, I have to give all the credit to the Holy Spirit!" The student then replied, "It wasn't THAT good!"

**On behalf of our Bishop, Kevin Farrell and our pastor, Fr. Salvador.**

Since 1999 Dignity Memorial Network has managed the Diocesan Cemeteries offering a full range of funeral and burial services. A Funeral Home and Chapel is even available at Calvary Hill Cemetery.

A very generous discounted funeral and cemetery program is being made available through the eighteen Dignity Memorial Funeral Homes to all Diocesan employees, school teachers and staff, their families, deacons and all clergy. Each of you is encouraged to take advantage of this generosity. This is an opportunity to receive substantial savings and experience the peace of mind knowing that your loved ones who remain have been relieved of this burden.

## Pope calls for new attitude on migration

Pope Francis in a [message this week](#) to the participants in the Mexico/Holy See Colloquium on Migration and Development stated that “A change of attitude towards migrants and refugees is needed on the part of everyone, moving away from attitudes of defensiveness and fear, indifference and marginalization.” Describing such attitudes as “typical of a throwaway culture,” he called for a change “towards attitudes based on a culture of encounter; the only culture capable of building a better, more just and fraternal world.”

Addressing directly the child migrants from Central America, the pope said, “This humanitarian emergency requires, as a first urgent measure, these children be welcomed and protected. These measures, however, will not be sufficient, unless they are accompanied by policies that inform people about the dangers of such a journey and, above all, that promote development in their countries of origin.”

Calling the migration crisis the principal manifestation of globalization and “one of the ‘signs’ of this time we live in,” the pope said, “We should be reminded of Jesus’ question ... ‘Why do you not know how to interpret the preset time?’ ”

Migration, he continued, “is a phenomenon that carries with it great promise and many challenges. Many people who are forced to emigrate suffer, and often, die tragically. Many of their rights are violated. They are obliged to separate from their families and, unfortunately, continue to be the subject of racist and xenophobic attitudes.”

Finally, the Holy Father concluded, “this challenge demands the attention of the entire international community so that new forms of legal and secure migration may be adopted.”

## El Papa pide un cambio de actitud hacia la migración

Esta semana en un mensaje a los participantes en el Coloquio sobre Migración y Desarrollo México/Santa Sede, el Papa Francisco expresó: “Es necesario un cambio de actitud hacia los inmigrantes y refugiados por parte de todos, dejando atrás actitudes defensivas y de miedo, indiferencia y marginalidad.” Describiendo dichas actitudes como “típicas de la cultura de usar y tirar,” abogó por un cambio “hacia actitudes basado en una cultura de encuentro, la única cultura capaz de construir un mundo mejor, más justo y fraterno.”

Abordando directamente el tema de los niños y niñas migrantes procedentes de Centroamérica, el Papa expresó: “Tal emergencia humanitaria exige como medida urgente que estos menores sean acogidos y protegidos. Sin embargo, dichas medidas no serán suficientes mientras no sean acompañadas de políticas informativas acerca de los peligros de dichos viajes y, sobre todo, sin que se promuevan el desarrollo en sus países de origen.”

Llamando la crisis de migración la principal manifestación de la globalización y “uno de los ‘signos’ de este tiempo en que vivimos,” el Papa expresó: “Deberíamos recordar la pregunta de Jesús... ‘¿cómo entonces no saben discernir el tiempo presente?’ ”

El Papa continuó diciendo que migración “es un fenómeno que conlleva una gran promesa y numerosos desafíos. Muchas personas que son forzadas a emigrar, a menudo mueren trágicamente; muchos de sus derechos son violados; son obligados a separarse de sus familias y, desgraciadamente, continúan siendo objeto de actitudes racistas y xenofóbicas.”

Finalmente, el Santo Padre concluyó, “este reto exige la atención de toda la comunidad internacional para que sean adoptadas nuevas formas de migración legal y segura.”
