THE CALL OF THE GOOD SHEPHERD

The Twenty-third Psalm, today's responsorial psalm, is arguably the best known of all the psalms. The line that reads "Even though I walk in the dark valley / I fear no evil; for you are at my side / with your rod and your staff / that give me courage" (Psalm 23:4) connects this week's scriptures to the wonderful story of the road to Emmaus, which we heard last week. The Lord Jesus, our Good Shepherd, is constantly at our side. He calls us each by name, beckoning us into a deeper relationship with him. That call, issued to each of us at the moment of our baptism, carries with it the promise of the Good Shepherd: "I came so that they might have life and have it more abundantly" (John 10:10).

A excepción de la Escritura y de unos pocos místicos cristianos, la espiritualidad cristiana, hasta ahora, ha sido remisa en regalarnos una perspectiva para los años de nuestro retiro. La razón de eso no es ningún misterio. Hasta hace poco, la mayoría de la gente moría poco después de la jubilación, y así, pasados nuestros años activos, no había necesidad de una espiritualidad altamente desarrollada de la generatividad.

¿Qué significan espiritualmente nuestros años de jubilación? ¿Cuál es nuestra vocación entonces? ¿Qué podría significar para nosotros la generatividad después de haber hecho nuestro trabajo?

Henri Nouwen, uno de los primeros escritores contemporáneos en abordar esta cuestión, presenta esta sugerencia: Viene un tiempo en nuestras vidas cuando la cuestión ya no es ¿qué puedo hacer aún para aportar una contribución? Más bien la pregunta se presenta así: ¿Cómo puedo vivir ahora de modo que mi envejecimiento y muerte sean el gran regalo final para mi familia, mi comunidad, mi iglesia y mi país?

¿Cómo dejo ya de escribir mi currículum con el fin de empezar a escribir mi panegírico? Felizmente, hoy los escritores espirituales están empezando a desarrollar una espiritualidad acerca de estas cuestiones y, al hacer eso -creo yo- nos pueden ayudar algunos ricos atisbos de la espiritualidad hindú.

En el hinduismo, se entiende que la vida tiene cinco etapas naturales: La primera es la de niño. Como niño, eres iniciado en la vida, aprendes a hablar, aprendes cómo interactuar con otros y se te da tiempo para jugar.

La segunda etapa es la de estudiante. En el Hinduismo, eres estudiante hasta que te casas, empiezas a formar una familia y estableces una carrera. Como estudiante, tu primer interés es gozar de tu juventud y prepararte para la vida.

Luego llegas a ser jefe de familia. Esto, la tercera etapa de la vida, empieza con el matrimonio y acaba cuando tu último hijo se ha hecho mayor, tu hipoteca está pagada y te retiras de tu empleo. Como jefe de familia, tu tarea es la familia, los negocios y la implicación en asuntos cívicos y religiosos. Estos son los años de tu deber.

La cuarta etapa es la de habitante del bosque. Este periodo debería empezar cuando tú estás lo suficientemente libre de los deberes de la familia y los negocios para hacer alguna reflexión más profunda. Habitar en el bosque significa estar un amplio periodo en que te retiras, parcial o totalmente, de la vida activa a estudiar y meditar tu religión y tu futuro. Muy prácticamente, esto podría significar que vuelves al colegio, quizás a estudiar teología y espiritualidad, hacer algunos extensos retiros, empeñarte en una práctica meditativa y recibir alguna dirección espiritual de un guía.

Finalmente, una vez que habitar en el bosque te ha dado una visión, vuelves al mundo como un Sannyasin, como un mendigo santo, como alguien que no posee nada, a no ser fe y sabiduría. Como un Sannyasin, te sientas en cualquier sitio público como un mendigo, como alguien sin ninguna significación, propiedad, afectos ni importancia. Estás disponible para otros por una sonrisa, una charla, un intercambio de fe o algún acto de caridad. En efecto, eres una persona de la calle, pero con una diferencia. No eres una persona de la calle porque no tengas otras opciones (un cómodo retiro, un curso de golf, una casa de campo), sino más bien porque ya has hecho de tu vida un éxito. Ya has sido generativo. Ya has dado lo que tenías que dar y ahora estás buscando cómo ser generativo de un modo nuevo, a saber, vivir de tal manera que estos últimos años de tu vida den otra clase de regalo a tus seres queridos: un regalo que toque sus vidas de un modo que de hecho los impulse a pensar más profundamente en Dios y sobre la vida.

Un Sannyasin da carne "encarnacional" a las palabras de Job: "Desnudo salí del vientre de mi madre y desnudo volveré". Entramos en este mundo sin nada y sin nada lo abandonamos. Un mendigo santo encarna esa verdad.

Imagínate qué testimonio podría ser si personas de mucho éxito -médicos, presidentes de banco, atletas, periodistas, maestros, gente de negocios, comerciantes, agricultores y personas casadas felizmente que habían educado con éxito a los hijos, gente que tiene todas clases de cómodas opciones en la vida- estuvieran sentadas como mendigos santos en cafeterías, en terrazas de comida rápida, en alamedas, en rincones de calle y en palacios de deporte. Nadie podría sentirse superior a ellos o tratarlos con compasión, como hacemos con la gente de la calle que se sienta ahora. Imagínate el testimonio de alguien que se hace un mendigo voluntario porque ha tenido éxito en la vida. ¡Qué testimonio y vocación sería!

Pero este concepto -ser un mendigo santo- es obviamente una imagen idealizada que cada uno de nosotros necesita pensar bien en referencia a lo que podría significar para nosotros concretamente.

En los primeros siglos del Cristianismo, la espiritualidad vio el martirio como la final expresión de la vida cristiana, el modo ideal de coronar una vida llena de fe. Justino, Policarpo, Cipriano y otros innumerables se "retiraron" al martirio. Más tarde, los cristianos solían retirarse a los monasterios y conventos.

Pero el martirio y los monasterios son también, en cierto grado, imágenes idealizadas. ¿A qué, concretamente, podríamos retirarnos nosotros?

Dorothy Day is alleged to have said: Don't call me a saint; I don't want to be dismissed that easily! A new biography on her by her granddaughter, Kate Hennessy, *Dorothy Day – The World will be saved by Beauty: An Intimate Portrait of my Grandmother*, will, I believe, go a long way in preventing anyone from turning Dorothy Day, soon to officially canonized by the church, into what she feared, a plaster-saint who can be piously doted-upon and then not taken seriously.

We're all, I'm sure, familiar with who Dorothy Day was and what her life's work was about. Indeed, Pope Francis in addressing the US Congress, singled out four Americans who, he suggests, connected spirituality to a life of service in an extraordinary way: Abraham Lincoln, Martin Luther King, Thomas Merton, and Dorothy Day. This new biography gives us an honest picture of who this remarkable woman actually was.

This book is extraordinary for a number of reasons: Kate Hennessy is a very good writer, the book is the product of years of research, she's Dorothy's granddaughter and had a very close and special relationship with her, and she manages in telling Dorothy's story to keep both a healthy critical and aesthetic distance. Her insight is both privileged and rare, privileged because of her intimate relationship with Dorothy and rare because most authors who are that intimately tied to their subject cannot maintain a balanced critical distance. Hennessy admits that doing this was no easy task: "That is the danger of holiness on your own doorstep, in your own family. Either you cannot see it for the view is too close, or if you do, you feel you haven't a chance of being the person she was. You feel it is a sad mistake that you are related."

And that combination makes for an extraordinary book that lets us see a side of Dorothy Day we would never see otherwise.

Beyond this being a close-up of Dorothy Day, Hennessy shares stories about some of the key people surrounding Dorothy: Her relationship to the man who fathered her child, Foster Battenham, with whom she maintained a life-long friendship. Hennessy's biography shatters the myth that upon her conversion Dorothy coldly and forever turned her back upon this man. Not true. They remained close their whole lives and Foster, until her death, remained an intimate companion and a faithful supporter.

Central too to this biography is the story of Dorothy's daughter, Tamar, who, while vitally important in Dorothy's life, is unfairly absent in virtually everything that's known about Dorothy in the popular mind. Tamar's story, which holds its own richness and is not incidental to the history of the Catholic worker, is critical to understanding Dorothy Day. There's no understanding of Dorothy without understanding her daughter's story and that of her grandchildren. To understand Dorothy Day you also have to see her as a mother and grandmother.

Hennessy shares how, when her diaries were opened some years after Dorothy's death, Tamar initially was bitterly resistant to having them released for publication and how that resistance was only lifted when, thanks to the man who transcribed them, Robert Ellsberg, the family and Tamar herself realized that her resistance was rooted in the fact that Dorothy's diaries themselves were unfair in their neglect of Tamar's story and the role of her story within the bigger narrative of Dorothy's life, work, and legacy.

The book is a story too of some of the people who played key roles in founding the Catholic Worker: Peter Maurin, Stanley Vishnewski, and Ade Bethune.

This isn't a story that follows the classical genre for the lives of the saints, where form is often exaggerated to highlight essence and the result is an over-idealization that paints the saint into an icon. Hennessy highlights that Dorothy's faith wasn't a faith that never doubted and which walked on water. What Dorothy never doubted was what faith calls us to: hospitality, non-violence, and service to the poor. In these things, Dorothy was single-minded enough to be a saint and that manifested itself in her dogged perseverance so that at end she could say: "The older I get the more I feel that faithfulness and perseverance are the greatest virtues – accepting the sense of failure we all must have in our work, in the work of others around us, since Christ was the world's greatest failure."

That being said, her life was messy, many of her projects were often in crisis, she was forever over-extended, and, in her granddaughter's words: "She was fierce, dictatorial, controlling, judgmental, and often angry, and she knew it. It took the Catholic Worker, her own creation, to teach her her lessons."

This is hagiography as it should be written. It tells the story of how a very human person, caught-up in the foibles, weaknesses, and mess that beset us all, can, like St. Brigid, cast her cloak upon a sunbeam and see it spread until it brings abundance and beauty to the entire countryside.
